2. The scholarships allotted to each group or community as stated above shall be sub-divided among the several districts and taluks on the basis of the total attendance of the number of pupils of that community or group in the respective grades of education in the previous year in each unit area. A table showing the allotment made according to this calculation is given in Appendix III.

V. The following principles shall be adopted for re-allotting the scholarships :—

1. If any scholarships remain unutilized in any grade in any district, they shall be first made available to pupils of the same grade and of the same community or group in the other districts in which the allotments fall short of the number required, the distribution being made proportionately to the needs of each district.

2. If after such re-allotment of the scholarships of one grade, any remain unutilised, they shall be granted to pupils of the same community or group in other grades in any district, each lower grade being taken after the requirements of the one immediately higher are satisfied.

3. Those scholarships, which still remain unutilised even after transfer to other districts, may be given to other communities or groups of communities in the order of their illiteracy or may lapse to Government.

VI. All the students to whom Backward Class Scholarships will be awarded should be considered as free students and the fees collected from them till the date of award should be drawn on refund bills from the treasury and refunded to the boys. These free studentships shall be in addition to the 20 per cent usually allowed in all Government and aided institutions.

N. B.—These scholarships are tenable only to boys, and none but regular students in any institution in the State and Mysoreans by birth or domicile are eligible.

VII. (1) The work of the Ad Hoc Scholarship Committees should be done by Head Masters and Inspecting Officers with their ordinary staff, but no separate clerical allowance can be given for this purpose.

(2) The following procedure shall be adopted for the drawing of these scholarships :—

i. The scholarships of all grades in respect of students in Government Institutions shall be drawn by the Head Masters of those institutions along with the monthly establishment bill and disbursed to the students after their acknowledgments are taken in the acquittance roll.

ii. In the case of aided institutions the scholarships shall be drawn on bills signed by the Head Masters of institutions and countersigned by the Chairman of the awarding bodies or by the Inspector-General of Education in the case of 2nd grade scholarships.
